1. What is the J-CERT Mock Exam

The J-CERT Mock Exam is an online practice test. It uses the same question format as the J-CERT Japanese Language Test for Daily Life and Work (Basic).

Subject	Time (target)	Questions	Points
Society & Culture (Reading)	60 min	25	60
Listening	30 min	25	50
Characters, Vocabulary & Grammar	45 min	35	90
Total	135 min	85	200

- You can use the mock exam for **30 days** from the day you register your serial code.
- You can take each subject **as many times as you like** during this period.
- The time is a target. You can keep answering after the time is up.
- When you submit all 3 subjects, you see your total score and a reference level.

What you need

- A serial code (12 letters and numbers)

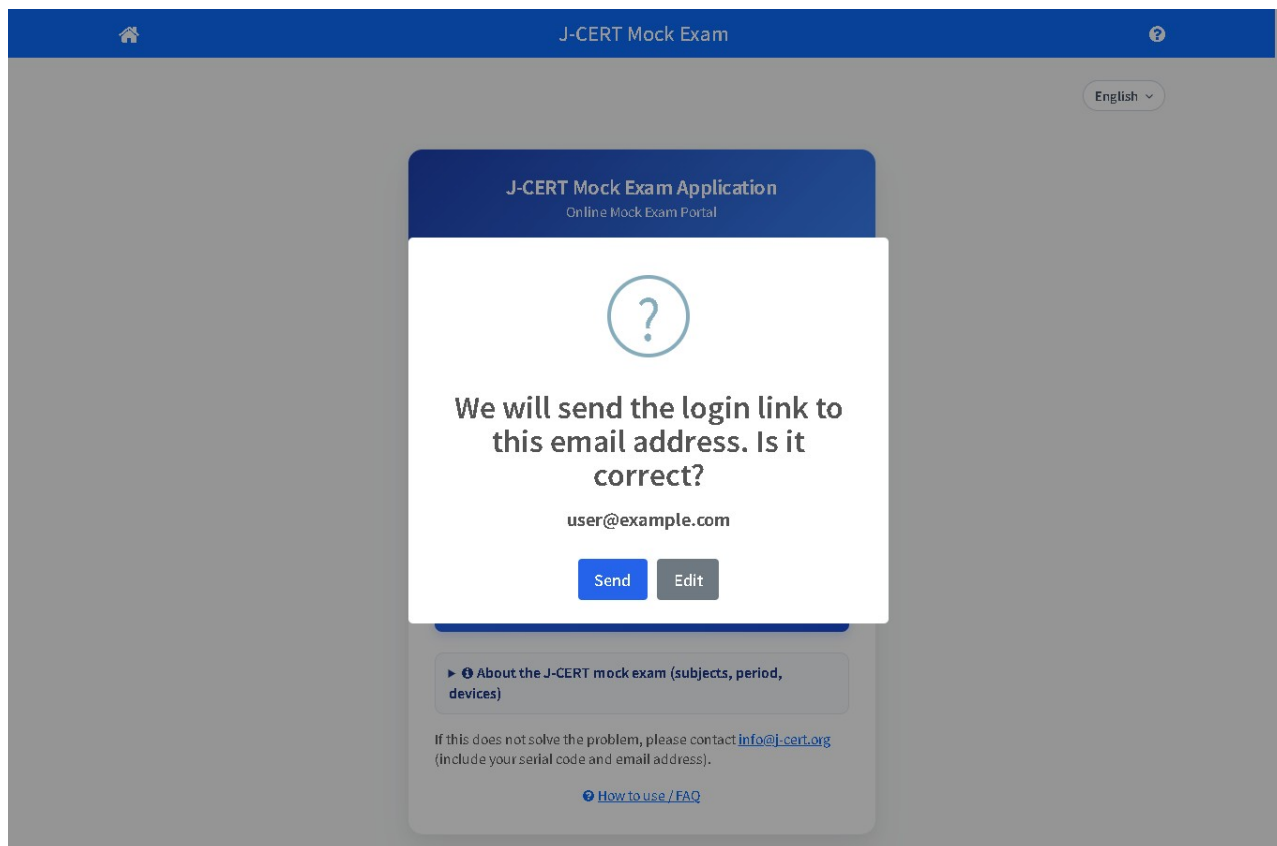

- An email address that can receive mail
- A PC or a smartphone. We recommend **Google Chrome** or **Microsoft Edge**.
- Earphones for the Listening test

2. Registering

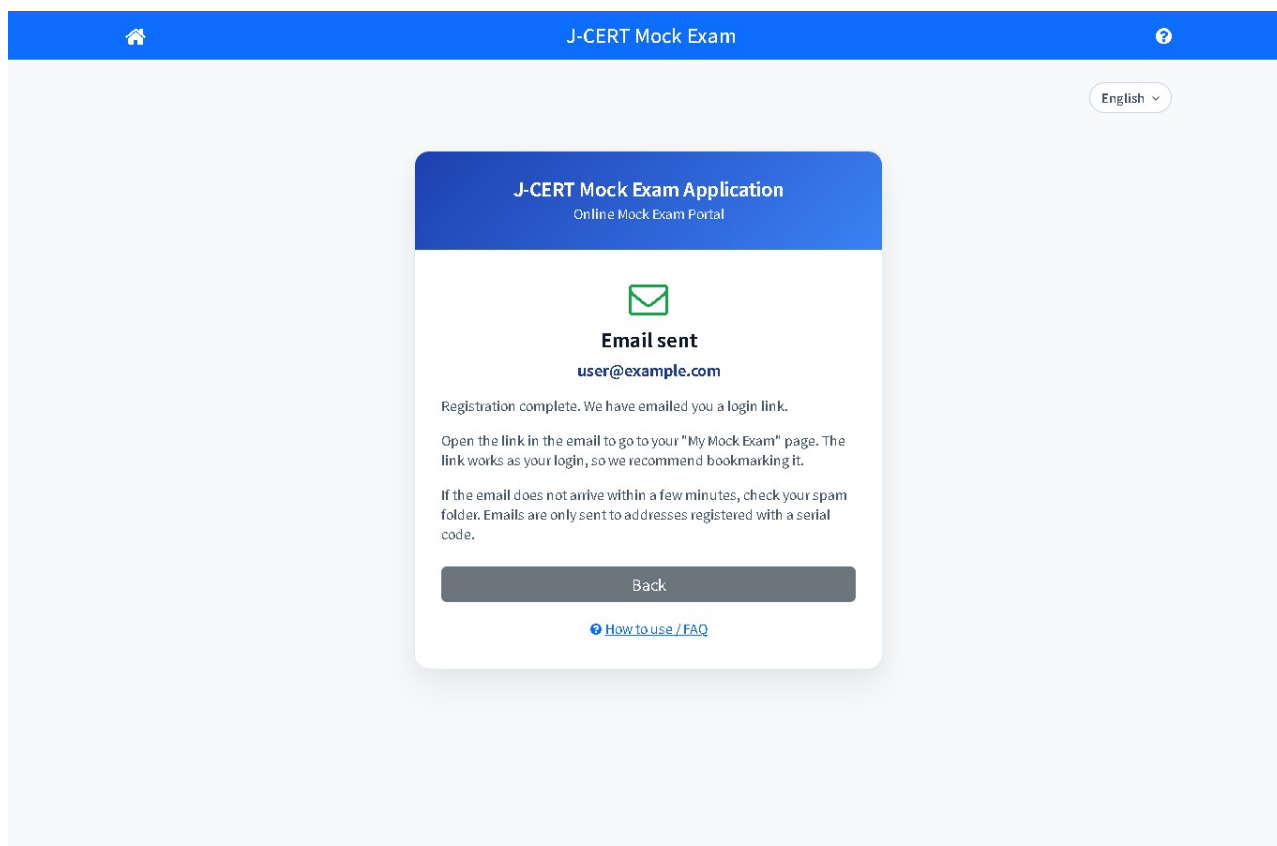

1. Open the application page: <https://j-cert-mock.enterdb.com/mock/form>
2. Choose **English** in the language menu at the top right.
3. Make sure **Register serial code** is selected.
4. Enter your **email address** and your **serial code**. - You do not need hyphens or spaces. Small letters are OK.
5. Press **Apply**.

The screenshot shows the 'J-CERT Mock Exam Application' page. At the top, there is a blue header with a home icon, the text 'J-CERT Mock Exam', and a help icon. Below the header, on the right, is a language dropdown menu set to 'English'. The main content area features a central white card with a blue header that reads 'J-CERT Mock Exam Application' and 'Online Mock Exam Portal'. Inside the card, there are two buttons: 'Register serial code' (which is highlighted) and 'Resend login link'. Below these buttons, a message says 'First time? Enter your email address and serial code to register.' There are two input fields: 'Email Address' with the placeholder 'Please enter your email address' and 'Serial Code' with the placeholder 'Please enter your serial code'. Below the 'Serial Code' field, a note specifies 'e.g. AB12CD34EF56 (12 letters and digits; no hyphens or spaces)'. A large blue 'Apply' button is positioned below the input fields. At the bottom of the card, there is a link 'About the J-CERT mock exam (subjects, period, devices)' and a footer note: 'If this does not solve the problem, please contact info@j-cert.org (include your serial code and email address).' with a 'How to use / FAQ' link below it.

6. A window shows your email address. Check it carefully. - If it is correct, press **Send**. - If it is wrong, press **Edit** and fix it.

7. The "Email sent" screen appears. Registration is complete.

8. Check your mailbox. You will get an email with this subject: **[J-CERT] 模擬試験ログインリンク / Mock Exam login link** - If you cannot find it, check your spam folder.

Note: A serial code can be registered to **only one** email address.

3. Logging in

- There is **no password**.
- The link in the email is your login. Open the link to see your **My Mock Exam** page.
- **Bookmark** the My Mock Exam page. Next time, you can open it from the bookmark.

If you lost the link

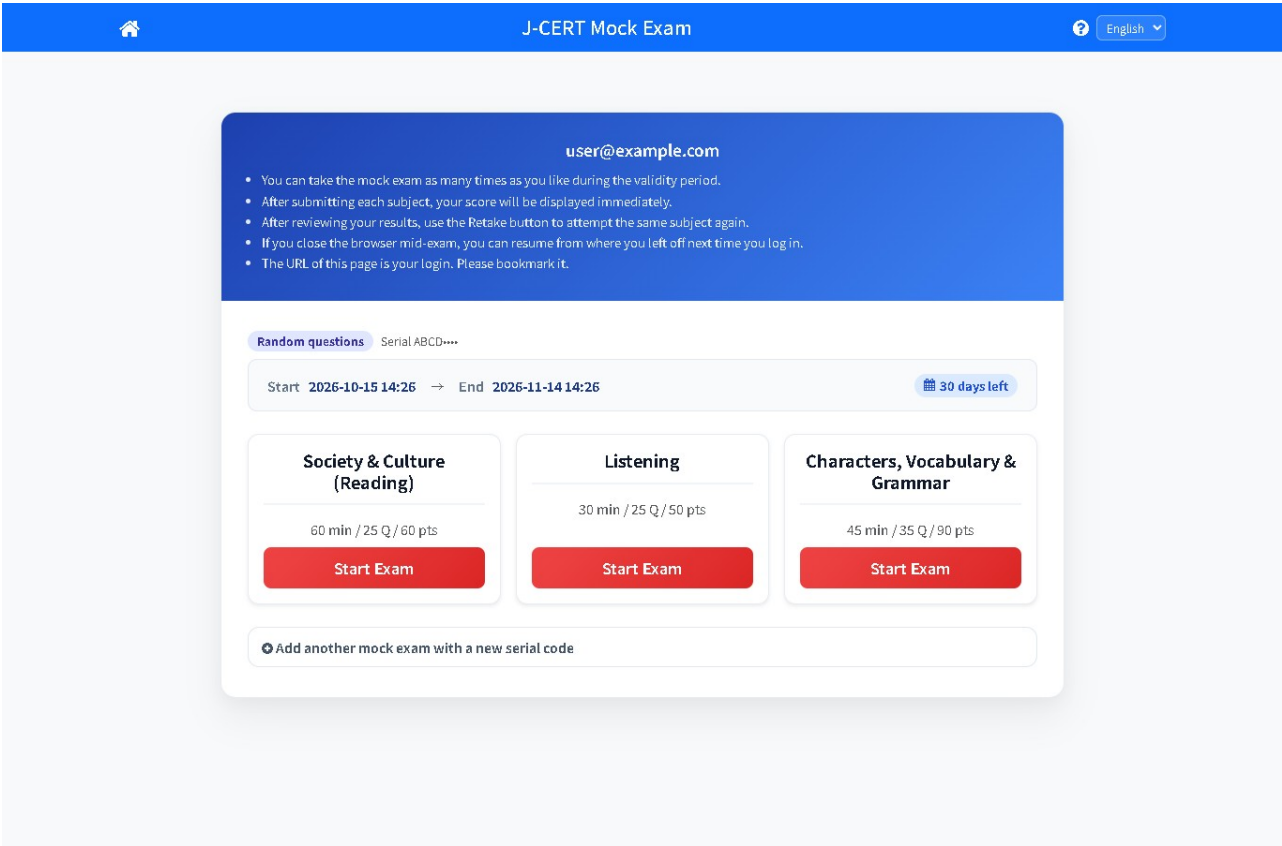

1. Open the application page.
2. Press **Resend login link**.
3. Enter the email address you registered, and press **Resend link**.

The screenshot shows the 'J-CERT Mock Exam Application' portal. At the top, there is a blue header with a home icon, the text 'J-CERT Mock Exam', and a help icon. Below the header, on the right, is a language dropdown menu set to 'English'. The main content area features a central white card with a blue header that reads 'J-CERT Mock Exam Application' and 'Online Mock Exam Portal'. Inside the card, there are two tabs: 'Register serial code' and 'Resend login link'. The 'Resend login link' tab is active. Below the tabs, the text says 'Already registered? Enter your email address and we will resend your login link.' followed by the label 'Email Address' and a text input field with the placeholder 'Please enter your email address'. Below the input field is a blue button labeled 'Resend link'. At the bottom of the card, there is a link to 'About the J-CERT mock exam (subjects, period, devices)' and a footer note: 'If this does not solve the problem, please contact info@j-cert.org (include your serial code and email address).' with a 'How to use / FAQ' link.

You cannot resend many times in a short time. If you see a message about this, wait a while and try again.

4. My Mock Exam (your exam list)

This page shows your mock exams.

At the top of each mock exam

- The question type: **Random questions** or **Past exam**
- The first 4 characters of your serial code
- **Start** and **End** of the usage period, and how many days are left

Subject cards

Each subject has a card. The button on the card shows its status:

Button	Meaning

You can also read **How to use / FAQ** (<https://j-cert-mock.enterdb.com/mock/help>).

The screenshot shows the 'J-CERT Mock Exam' help page. It includes a header with a home icon, the title 'J-CERT Mock Exam', and a language dropdown set to 'English'. The main content is titled 'How to use the Mock Exam' and contains a paragraph explaining the test format. Below this is a 'Test structure' section with a table of subjects, times, questions, and points. A note explains that times are actual test times and that a reference level is shown after all subjects are submitted. The 'Steps' section lists three numbered steps: 1. What you need, 2. Register your serial code, and 3. Open the link in the email.

How to use the Mock Exam

A practice test in the same format as the J-CERT Japanese Language Test for Daily Life and Work (Basic), which you can take on a PC or smartphone. You can take it as many times as you like for 30 days from the day you register your serial code.

Test structure

Subject	Time (target)	Questions	Points
Society & Culture	60 min	25	60
Listening	30 min	25	50
Characters, Vocabulary & Grammar	45 min	35	90
Total	135 min	85	200

* Times are the actual test times. In the mock exam you can continue after the time is up. When all 3 subjects are submitted, your total score and a reference level (Pre-intermediate / Elementary / Beginner) are shown.

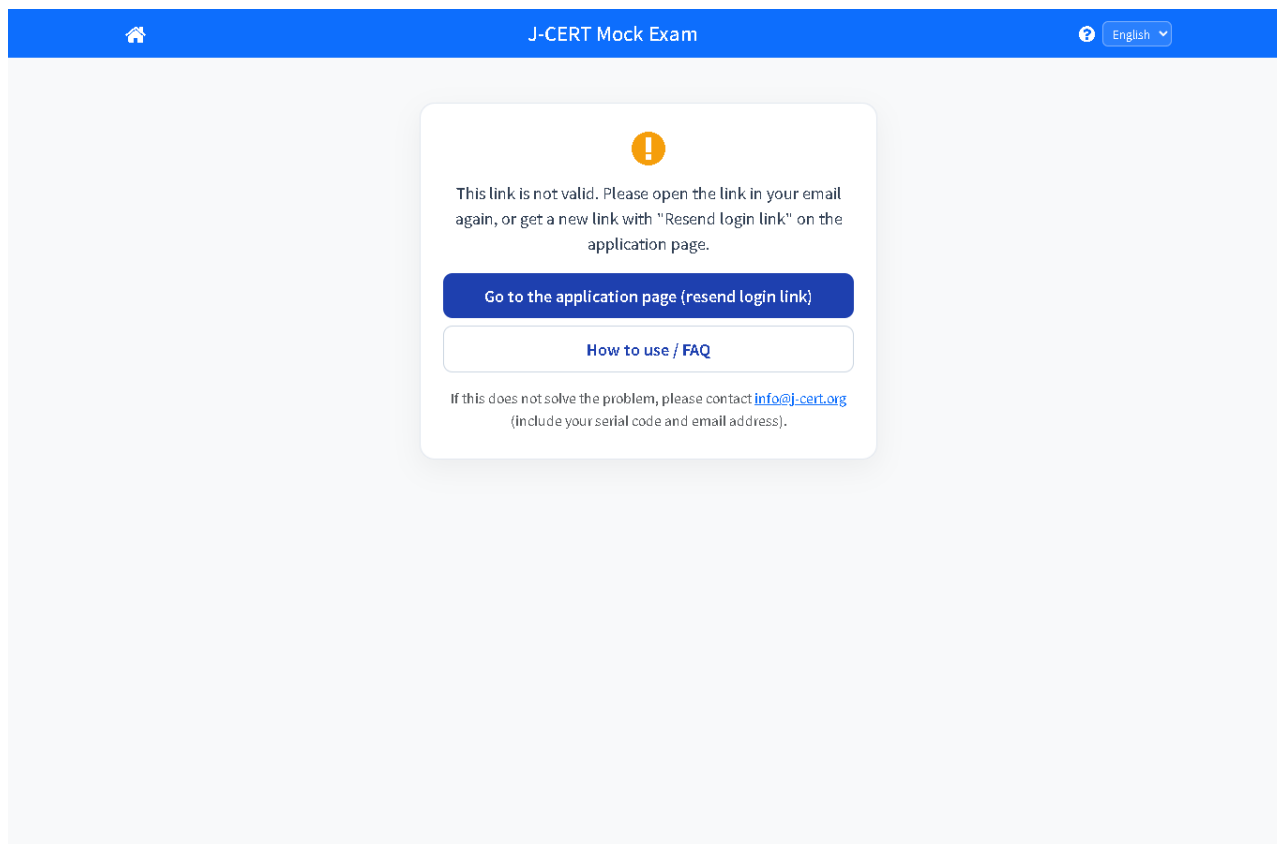

Steps

- 1 What you need**
A serial code, an email address that can receive mail, and a PC or smartphone (Google Chrome / Microsoft Edge recommended). Use earphones for the Listening section.
- 2 Register your serial code**
On the application page, choose "Register serial code", enter your email address and serial code, and press the button.
- 3 Open the link in the email**
Open the link in the "[J-CERT] Mock Exam" email to see your "My Mock Exam" page. There is no password — this link is your login, so bookmark it.

I did not receive the email. Check your spam folder. If you still cannot find it, use **Resend login link** on the application page.

I lost the link. Use **Resend login link** on the application page, and enter the email address you registered.

"This link is not valid" is shown. Open the link in your email again, or get a new link with **Resend login link**.

"Already used by another user" is shown. A serial code can be registered to only one email address. Enter the same email address you used when you registered.

"The usage period has ended" is shown. The 30 days have passed. Register a new serial code to continue.

I cannot hear the Listening audio. Check the volume and silent mode of your device. Use **Sound test** at the start. Press ► to listen again.

What is the difference between "Retake same questions" and "Take new questions"? "Retake same questions" is good for reviewing mistakes. "Take new questions" is better for checking your level. Both keep your score in **Past results**.

"Left the screen" is recorded. It is recorded when you switch to another window or app. It does not change your score.
